

Message from the Headteacher

Dear Parents and Carers,

We have had a very busy but lovely couple of weeks at school. We have survived the hot weather with many children enjoying a slower pace of lessons and lunchtimes. Thank you for your support with children attending in PE kit.

Year 6 have thoroughly enjoyed their time at their new secondary schools as part of their transition days this week. They expressed their fondness of using different classrooms for different lessons - as well as being allowed their mobile phones at lunchtime (at Stratford High). As part of their end of year celebrations Year 6 also enjoyed an afternoon at Spot of Wake in Wootton Wawen. We also look forward to their end of year production of 'I'm an 11 year old Get me Out of Here' which is taking place next Thursday.

Both Year 1 and 2 and Year 3 and 4 have had a brilliant time at Heart of England Forest to extend their curriculum experience recently. We are anticipating continuing these visits next year.

Next Wednesday the whole school will be spending the morning in their next year group. This is an opportunity for children to become more familiar with their new peers and for them to spend some time in a new classroom with a new teacher. This will be a time where children and adults can get to know each other more and to get used to their new year group partners. There are no changes to drop off locations, children will start the day in their current class to register. We will then go into our new classes after an assembly.

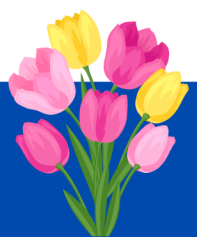

We hope to see as many families as possible at our end of year church service which is taking place on Monday 14th July at 9:30. We would be very grateful if any parents are available to walk with us to and from the church. We usually leave school at 9:10.

Next week will be our final Friday celebration assembly. During the last week we have our end of year awards ceremony where Year 6 will be presented with their awards as well as stars of the year and value champions of the year being presented to 1 child in each year group. Our new Year 6 leadership team for 2025-26 will be announced during the first Friday celebration assembly in September.

Finally, I'd like to thank you for your patience and support during this very busy time of year.
