

HEYHOUSES ENDOWED C.E. PRIMARY SCHOOL

January 5th, 2021

Dear Children,

This is just a short letter to explain that in future my letters will be after school not in the morning- today has been different for everyone and we are not yet into our new routine. I am not sure I ever get into a routine at school because every day is different for a Headteacher. Today has been both busy and quiet at the same time! Not many children making a noise on the office corridor and yet lots of lists to make and phone calls to make. I spoke in worship time about journeys and our **'Journey through January.'** Thank you to everyone who has already sent me their ideas for what we need, I will share them in tomorrow's assembly and in my letter tomorrow night. There were some wonderful ideas, Heyhouses children are always creative.

I wrote to your parents tonight, explaining what we were doing to help you learn while away from school. There will be information for all of you from your teachers in the next day or two. This Lockdown I am going to record Celebration Assembly

on Friday and give special mention to children who try really hard. If you would like a mention send me or your teacher a note about what you have been doing. I know some

of you even did science today which is wonderful for the first day of Home Learning. Keep it up!

I have done Maths today, counting how many children in each year group, and English, writing lots of lists and letters.

I will do some History tomorrow or maybe art? Choices! I know it would have been Year 3 Roman day today and I have promised very disappointed children that we will have Roman day this year. We have 360 days left to choose from in

2021! I think the Romans are fascinating, so tomorrow we will have a little refresher course on our knowledge of the Romans, everyone in years 4, 5 and 6 should know everything from your lessons in Year 3. Infants it will help you when you come to the juniors!

Anyway children, I hope today has been a good day.

Did you have some special happy moments? Hope you found time to laugh at something (Not someone! Especially not our brothers or sisters!) and made someone in your family smile today.

My girls have made me smile today, even laugh out loud. They have sent me messages and pictures all day- they start Home learning tomorrow and made the most of a day when Mum left them to tidy their rooms in readiness for hard work. I did not smile when I saw how far they got! I am off to 'help' after I have sent this letter. I have lots to update you on in the Hodgson house since the last Lockdown letter!

Remember, be patient and let's do things safely.

Keep in touch...KEEP SMILING ... and keep washing your hands.

With my love,

Mrs Hodgson

"This is the day *which* the Lord hath made; we will rejoice and be glad in it."

—Psalm 118:24
