

HEYHOUSES ENDOWED C.E. PRIMARY SCHOOL

Letter 3 January 6th, 2020

Dear Children,

I wonder what sort of day you have had today? Have you done your Maths and English? Or did you do some more topic work? Which did you do first and was it your favourite lesson? Oh I do miss talking to you all and finding out how your lessons are going! Anyway, I hope it has all gone well.

I know that some of you have had Christmas presents which are helping you with science. Margaret loves science and when she was at Heyhouses, as a family we visited the National Science Museum in London. She always remembers the Space part and I think it was that which inspired her to study Astronomy when she got to Secondary school, alongside Physics.

I wonder if you know what is in these photographs?

When we can do more things again the Science Museum is a wonderful place to visit. Nearer to home is the Manchester Museum of Science and Industry. We do school visits there- something to look forward to in the future. I have heard from some of you about Christmas presents you received and quite a few people told me they had been bought cameras. I love my camera and while I often use my mobile phone to take pictures when I am out and about, I still love taking 'proper' photographs with my camera which I can focus in different ways. Watch out for it those in school, I am bringing it in this week!

Since my last Lockdown Letters I have been to the beach lots of times. Just after Christmas I had a lovely walk, it was such a beautiful day it made me smile. Remember things which make us smile are important.

VAUDE

I always like seeing the rivers which form on our beach, the water is on a journey just like we are and it weaves its way across the sand.

I love following the streams- where will they lead? It is a little like now, where we don't know where things will lead us. Perhaps we should try to think of this time with more of an 'adventurous spirit;' there are always new and different experiences coming our way- we cannot get bored at least!

Thank you to everyone who has emailed and responded to my letters or worship time.

I have had lots of lovely replies to my Journey through January Rucksack. Adrianna had some wonderful suggestions.

	Words for M	1rs Hodgson's Rucksack
	Hope	Kindness
	Bravery	Joy
	Positivity	Patient
	Faith	Strength
	Friendship	Happiness
A	Laughter	Thoughtfullness
	Consideration	Peace

Journey many 500g Rindness uls a. amounts of q loy and a OL or riendship happiness Tato in Binoculars OG For Spotling tainbows thom timma J and the year 6 bubble

Our Year 6 Bubble did an inspiring joint effort and their handwriting and illustrations are so wonderful I had to share them! Thank you, your ideas made me smile. Another smile and another happy moment!

Perhaps you could write your version?

Make sure you spot any Rainbows!

Remember lots of positivity!

Well done Year 6- you have been given us some happy thoughts.

My January Jonner pack in my rush Will 500a OF Hope, Na Love (Y handfuls of Kindness, Endless amounts of Faith, 1 ton of Joy and a packet OF Facemasks, A lot of positivity. 3 bottles of Handsanitises, 100% Happiness and Friendship 2 metres of Social Distancing (2m) and a pair of Binoculars for Spotting Rainbows. Olivia Ritchie and the year 6 Bubble.

I must stop writing, I have had a text asking 'what's for tea'- and that wasn't from Mr Hodgson.

I haven't replied, because I am not sure what it is right now- maybe Spaghetti Bolognaise. That was a challenge to spell but is much easier to make!

Have a good evening and tune in for Worship time tomorrow- any time after 9 a.m.!

It depends what happens when I arrive at school; how many phone calls there are and emails that need an answer straight away. I have a story to tell you tomorrow!

Remember, be patient and let's do things safely.

Keep in touch...KEEP SMILING ... and keep washing your hands.

With my love,

Mrs Hodgson

Our Lockdown banner from summer 2020.

Thank you Mrs McDonnell, it still gives us courage.
