

HEYHOUSES ENDOWED C.E. PRIMARY SCHOOL

January 9th, 2021

Dear Children,

I hope you have all had a good day, despite the lack of snow! I know some of you managed to make a few snowballs this morning and I keep thinking there might be more before winter is over!

We have been looking for something we have lost this afternoon. Well, not exactly lost, just 'temporarily misplaced' (same thing really, I know!) In the process we have found lots of photographs so we haven't got much done because we have just laughed a lot!

Anyway, we think this is the last time we had proper snow.

And since this is Dorothy it must be at least ten years ago!

See a small Dorothy! And you will never see me wearing that hat again! Dorothy might say the same about hers, although it was my favourite; she and Margaret both wore it and it was very good because they couldn't throw it off!

Tidying up photographs has also found some funny schools ones which I will share with you. I want you all to remember that school trips **will** happen in the future, although Mud Rolling at Condover Hall might not, I think this is the last time it happened!

Obviously, Mud rolling was not on the scheduled activities but somehow it happened for Heyhouses children! I think you should all ask Mrs Anderson and Mr Mihell for the true story. (I can give you their email addresses!) Although Margaret was there, I have the evidence, she has always been very loyal and refused to comment! All she could say today was that she wished she could go to Condover again! Let's just keep hoping this year's Year 6 get there in the summer.

I hope you have found things to smile about today. I can think of at least three things:

- 1 No school work today
2. No school work tomorrow either
3. It's winter so every excuse to wear your Pyjamas and watch television.

Maybe I should make it four things

4. Funny photographs from Mrs Hodgson!

We are collecting photographs from the teachers and I will put them together and make you guess 'Who's Who?' I thought it would occupy you for about five minutes during Lockdown, give your parents a short break!

It will be hard! Even harder if they are Baby Pictures!

I wonder who these two are?

And this one? Baby pictures are harder!

I hope you are up for the challenge Heyhouses!

And I hope you have smiled!

I will write again tomorrow, take care.

Remember, be patient and let's do things safely.

Keep in touch...KEEP SMILING ... and keep washing your hands.

With my love,

Mrs Hodgson

Be joyful in hope, patient in affliction, faithful in prayer.
