Autumn Term Week 5

www.heyhouses.lancs.sch.uk

This Week

Our book focus was *The Wonder* by Faye Hanson. This is a story about a boy who has a wonderful imagination. It is in his art class that he realises he can bring the wonder – his thoughts, ideas and imagination – out of his head and onto paper for everyone to enjoy. We have encouraged the children to do the same at school using a wide range of creative resources including junk modelling, construction kits, and role-play. Why not see what you can create at home and send a photo via The Evidence Me App?

Phonics

This week's sounds are:

g - Goat - Start at his ear, around the face and down his beard.

o - Ostrich - Around the ostrich's body.

c - Camel - Curl around the camel's back.

k - Kite - Down the body, up the arm, down the leg.

Maths

This week's number was: 3

Maths Home Challenge:

Play a game of Noughts and Crosses to see who can get 3 in a row.

Say a number between 1 and 5 and ask your child to hold up the correct number of fingers to match. Once they can do this quickly and easily, try it with numbers to 10.

Reminders

- To best support us we ask that the children read the decodable text provided by school four times across the week. We need the books back in on a Thursday ready to change then they will get new books on a Friday. The 'book to share' must come back each week with the decodable text. If you have any questions, please come and speak to us.
- Now the children are settled please try not to let your children bring in any comfort teddies, toys or other playthings from home as this is causing us a variety of issues. They might get lost, broken or it can cause upset if they're asked to put them away. We have plenty of toys and teddies in school.
- The Children are invited to accessorise their school uniform with something yellow on Thursday 10th October for World Mental Health Day.
