HEYHOUSES NEWS

Autumn Term September 2024

Welcome Back

The children have had a fantastic start to the new school year. Across school there has been a 'purposeful buzz,' as the children enjoy their learning and friendships. Lots of hard work and excitement around new topics has characterised the first three days.

Each year group has been busy planning the enrichment of the curriculum, notably the educational visits and specialist visitors to school.

We have attached a first overview of these visits with approximate costings. We will keep updating this so parents are able to budget for the 'extra' parts of school life. Each year we strive to provide experiences which enhance the children's classroom work. The website provides lots of information around the curriculum for each year group.

Today we have held Celebration assemblies and started the school year with 'Well done!' to several children.

Reuben and Mark played with Upbeat Rock Academy at the Switching on of the Blackpool Illuminations. We are very proud of them!

We look forward to celebrating many more wonderful moments for all the children over the coming months.

It has been an excellent start to the school year.

"..Many Hands make a House

But many Hearts make our School."
