

HEYHOUSES NEWS

Autumn Term September 2024

New Term Fun!

The children have had a fantastic start to the new school year. Across school there has been a 'purposeful buzz,' as the children enjoy their learning and friendships. Lots of hard work and excitement around new topics has characterised the first three weeks. The sun has shone and playtimes have been fun. It has been an excellent start to the year.

"..Many Hands make a House

But many Hearts make our School."

- Heyhouses School Hymn

We have also welcomed lots of new children to our school family. The journey begins for these Reception children. We hope all the children and their families feel very welcome at Heyhouses.

The Reception children have settled really well into their new classes. They are getting to know their teachers and making lots of new friends.

The children enjoy their outdoor learning as much as their indoor lessons! The tricycles are very popular!

Equally as you can see there are spaces for quiet time and independence. The children are forging strong friendships, something Heyhouses children are well known for making, usually these are friendships for life.

The children have loved exploring all the outdoor equipment and the stage area shown above. The sand and water has also been busy.

Welcome to Heyhouses!

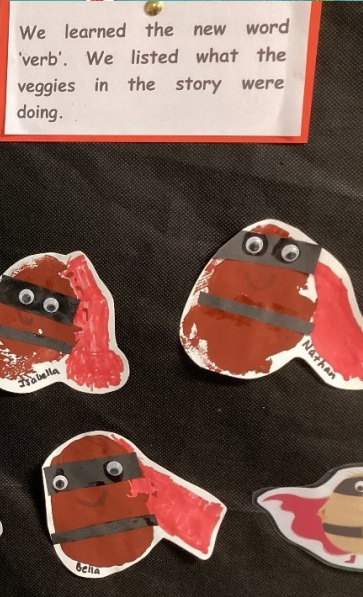

This week Birch class have been enjoying the theme of the 'Supertato' story in English. We have been listing supermarket nouns and exploring verbs, using our phonics skills to write words as independently as possible. We have been thinking about what the veggies in the supermarket were doing as the evil pea caused havoc in the supermarket. We were very glad that Supertato came to their rescue! We have enjoyed re-telling the story with our puppets and have completed lots of creative challenges in relation to the story.

Birch class.

Year 1 children have all loved doing the story of Supertato and they have taken part in lots of craft activities and drama linked to the story.

Meal times will never be the same!

We learned the new word 'verb'. We listed what the veggies in the story were doing.

In the story the evil pea was captured in the jelly. When we had jelly for pudding at lunch time, we checked that the evil pea wasn't in there!

Watch out!
Evil Pea is here!

SCHOOL EMAILS

Following the January hacking of our school computer systems we no longer have class emails but parents may always contact school via the following routes.

For all 'general' matters please use the **enquiries@heyhouses.lancs.sch.uk** email which will then deal with the matter or forward it to the class teacher.

For specific issues which you would like my involvement please email:
