

HEYHOUSES NEWS

Autumn Term September 2025

Congratulations!

Last night Bishop Philip confirmed children from Year 6. It was a very special occasion as each candidate was called by name, blessed and anointed.

It was lovely to have so many children keen to take the next step in their journey of faith, we are proud of their commitment.

Bishop Phillip is hoping to visit school in the next few months and we look forward to showing him all that we do in Worship time and lessons in general.

Well done children!

**WORLD'S BIGGEST
COFFEE
MORNING**

**MACMILLAN
CANCER SUPPORT**

As part of their Charter Task Year 4 will be hosting a:

Macmillan Coffee Morning on:

Friday 26th September @ 9:30– 10:30am

We hope to raise money for Macmillan and the amazing work they do for cancer patients and their families and we would love for you to join us.

Year 4 are busy baking but if anyone else would like to donate cakes or biscuits they will be gratefully received.

If you are able to donate any prizes for the raffle, please do speak to your child's teacher, we would greatly appreciate your support!

On the day, Year 4 children will be selling cakes and raffle tickets. to make it special for the children, they are invited to accessorise their school uniform with something green—be it a ribbon, hat, or socks. Children in other year groups are welcome to do the same.

While Year 4 cannot host parents and friends from every year in school anyone with a special interest in supporting Macmillan Cancer Support is very welcome to join the Coffee Morning.

We are looking forward to a lovely morning together for a great cause!

Year 1 children have had a wonderful week finding out all about Chickens. They have cared for eggs and watched as they hatched. There was great excitement when the first chick hatched, there are now seven little chicks in the infants!

Ask your child what they learnt through this topic?

HELLO YELLOW DAY

On Friday 10th October we will be supporting Hello Yellow. This is a World Wide campaign to raise awareness of mental health with primary and secondary children and adults.

We will be asking the children to wear something yellow - this can be a ribbon or a full yellow outfit, whatever the children have at home without buying anything new. We will provide each class with a selection of yellow items for children to use if they haven't got anything at home.

During the day we will support the children in understanding their mental health and their needs through lessons and activities.
