Thank you to all parents who joined us for our Harvest celebrations in church yesterday. The children sang their hearts out and truly showed how much they love singing! The readers from Hope Council were brilliant, they were confident and clear with their readings and the acting was excellent.

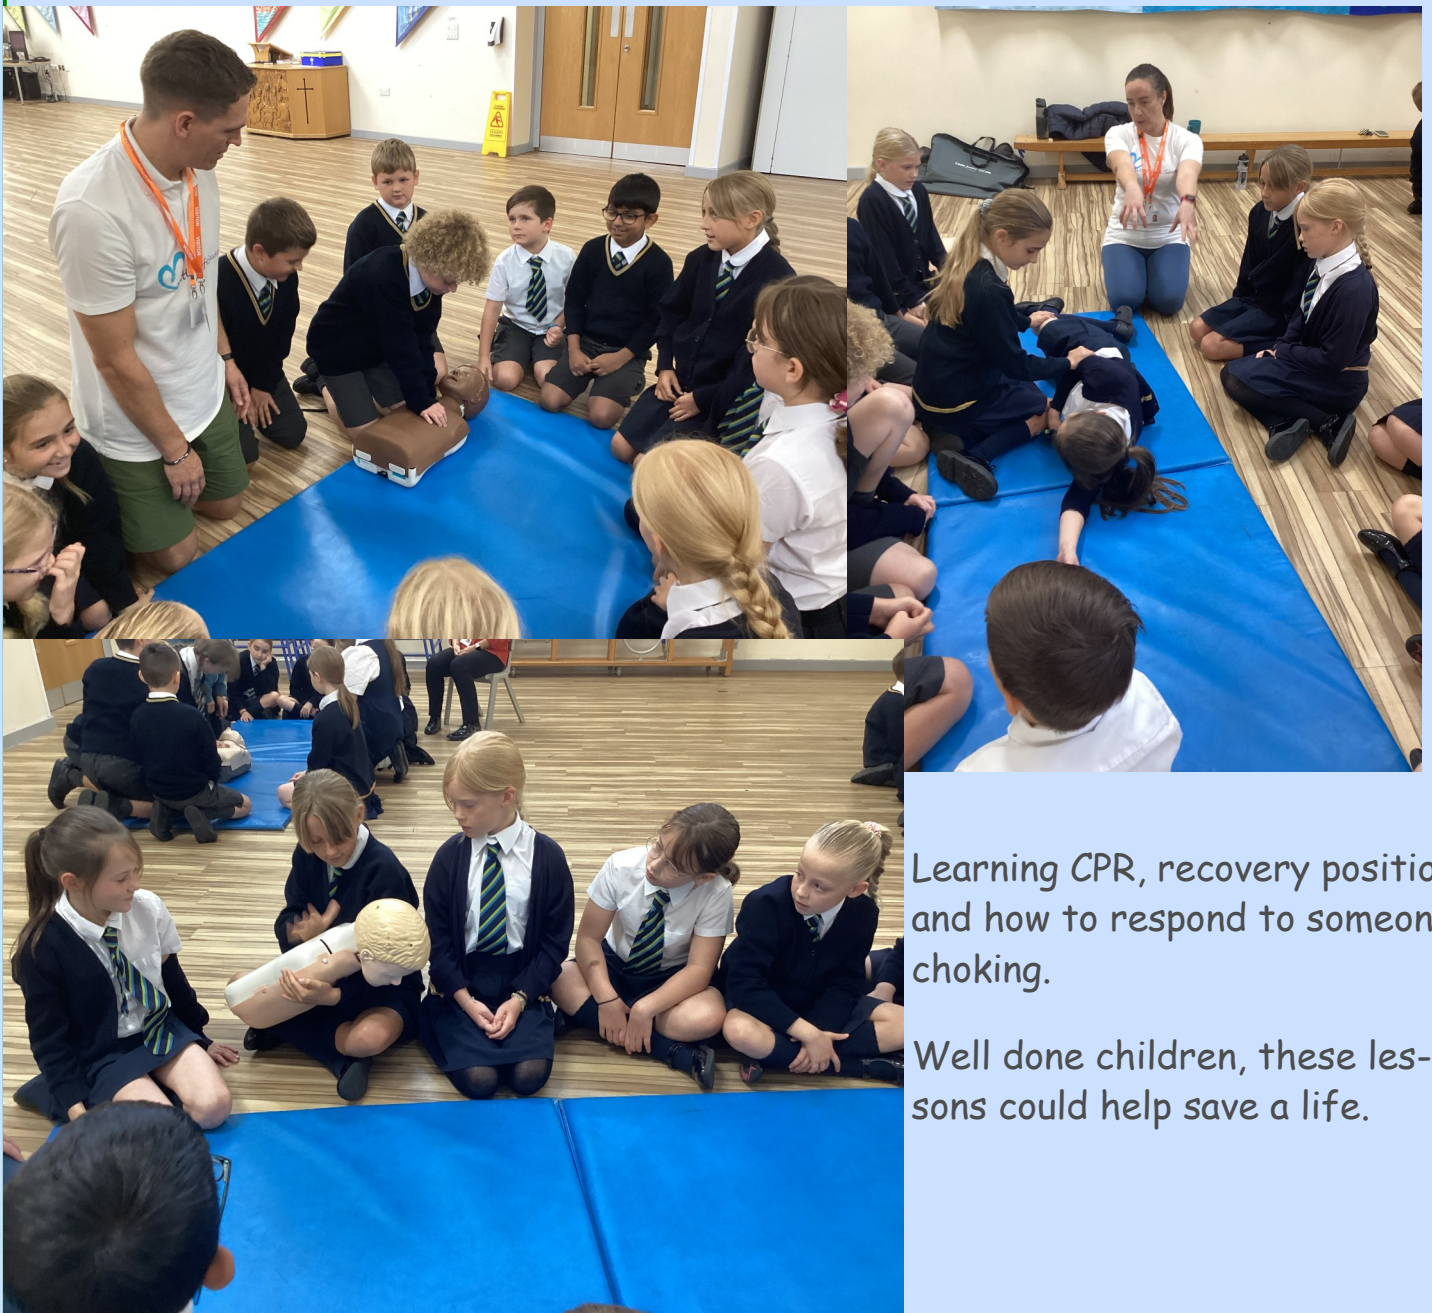

Well done children!

A huge thank you for all the Harvest gifts which the children brought. St Annes Parish Church are very grateful and know that lots of families will benefit from the gifts. Harvest was a lovely, special day for Heyhouses.

Year 5 Life Savers

Year 5 have had visits from the Fire Brigade and the Police as part of a unit of work about the Emergency Services. They also learnt how to help people in a medical emergency with the help of Little Life Savers, who taught them how to deal with a choking incident, how to put someone in the recovery position and how to do CPR. These are important life skills which could save a life. The children worked hard on all aspects of the week. Thank you to the police and fire service for visiting and taking the time to explain their work to the children.

Learning CPR, recovery position and how to respond to someone choking.

Well done children, these lessons could help save a life.

Year 1 have carefully looked after the chicks which hatched last week and have asked if they can keep them. They have been told they can keep four chickens but they have to look after them very well! The children want to raise money for a Chicken coop with fox protection. They are holding a cake bake to raise money to look after them.
