

Communicating British Values with Picture News

The British government requires all schools in England to promote British Values to children, to prepare them for life in modern Britain. The four British Values are:

Democracy

Rule of Law

Respect & Tolerance

Individual Liberty

Picture News packs help you effectively explain British Values to your pupils, as you demonstrate these values in action in the real world through news topics!

Each pack connects to and explains a British Value.

By exploring and debating topical issues, your pupils will also exercise British Values by learning to respect and tolerate the views of people around them.
