

Dear Parent,

The Charter Award system has now been introduced and the children are eagerly working towards their certificates. The junior children are working towards a Merit or Distinction in their awards. In order to achieve a Merit or Distinction the children need to undertake tasks outside of school., putting into practice the ideals of the Charter system. Ideally, we would like this to be a 'new' task and not simply a continuation of an existing task. A list and explanation of the type of task required to achieve the award is attached.

This task obviously requires evidence that it has been performed correctly and enclosed is a form for either parents or the leader of an organisation to sign.

We hope your child enjoys working for their Merit and will be encouraged to try and continue and work for a Distinction. To achieve a Distinction two tasks, have to be performed outside of school.

If you need further assistance, please ask your child's class teacher or myself.

Thank you for your support.

Yours sincerely,

Elizabeth Hodgson
