

HEYHOUSES ENDOWED C.E. PRIMARY SCHOOL

Dear Children,

Our first day back and what a lovely day! Thank you for bringing Heyhouses to life again, we had missed you all.

Today has been a wonderful day full of smiles, lots of laughter and children's chatter!

All our empty classrooms have filled and there has been noise and excitement everywhere. The best part has simply been the smiles- I don't think some of you stopped smiling all day, (I know I haven't!)

We have adapted to new routines and listened well. It has been a good day and most of our plans worked, although we have learnt from some of the 'interesting' moments today and we will adapt some things at lunchtime. But at least everyone got fed!

We have all washed our hands a lot, joined in with the lessons and moaned about the rain. Sounds like we are back to normal.

Thank you, children, for being so good today and simply enjoying the moment, it was lovely to see you back with your friends.

This is going to be a good week, a good term; after so much change and disruption our school routine seems a wonderful thing and I know we will make the most of all the opportunities coming our way.

Let's make each day special in some way.

Today has been special for SMILES. I wonder what tomorrow will be special for?

See you in the morning!

With my love,

Mrs Hodgson

Psalm 118:24 "This is the day that the Lord has made; let us rejoice and be glad in it"

Happy friends in Year 1.

It was a yummy roast dinner!

Year 2 enjoying dinner time.

Did anyone see the 30 chalk numbers on the playground before the rain came?

I will tell you about it tomorrow. Here are some clues.

It was very exciting. There's lots to tell you!
