

## HEYHOUSES ENDOWED C.E. PRIMARY SCHOOL

Letter 30 February 2<sup>nd</sup> 2021

Dear Children,

It has been a cold wet February day; but I have kept calm and found the peaceful moments in a busy day, because if I am asking all of you to do this I need to myself. You will need to read to the end of this letter or watch my assemblies to know what I mean!

Thank you to everyone who has sent me their songs for this Collection of Heyhouses Island Songs.

# Heyhouses Island Songs

You can give your list a fun Title rather than your Family name, you will know it is yours, no –one else will! And you may have more than one playlist if someone in the family chooses all the songs! Margaret still has 26 songs on her list which is called ‘Top Ten.’ (That can’t be right can it?)

Thank you to the Jazzy Family for your wonderful list, something for everyone to love here.

### The Jazzy Family

1. Break this down - Descendants 3
2. Stuck With You - Justin Bieber and Ariana Grande
3. This City - Sam Fischer
4. Personal - HRVY
5. Adore You - Harry Styles
6. Rain On Me - Ariana Grande and Lady GaGa
7. Señorita - Shawn Mendes and Camilla Cabello
8. One Last Time - Ariana Grande
9. My Once Upon a Time - Descendants 3
10. You and Me and the beat - Dove Cameron

Which do you like best?

Which makes you sing along?

And to Team Townsend for another list with lots to sing along to, and dance to!

2. Sweet Caroline by Neil Diamond

I hope listening to music helps you all feel good about things, some songs calm me down, and some make me want to dance! (Do not worry only my family get to see me dance!)

Thank you for the news you keep sending, it is lovely to hear from you. This week being Children Mental Health Week has a theme of 'Express Yourself.' I do hope you have had the chance today to do something which you enjoy. I talked about it in my assembly.

Have you made a Lego model?

Have you painted a picture?

Have you made a den?

Have you sung your favourite song?

Have you made up a play for your family or a quiz?

What expresses the real YOU? What makes you smile?

Oscar has made a den for himself and his brother, this is the poster for it, it is a 'Lockdown' picture; delivery vans and ambulances, sheep and lots of fields. I think it is wonderful and I know while he painted it he was 'expressing' his ideas.

I think we should all have a go at 'expressing' our thoughts. Paint it, make it, draw it, say it- whatever is best for you!

Whatever it is, try to do it this week, it will help you and everyone in your family if you keep yourself happy.

I have a really good book that I am reading at the moment, my aim is to read some more tonight without falling asleep! Margaret and Dorothy find it funny (oh, and annoying!) that if I sit down to watch TV with them I fall asleep- I try to tell them school is busy but according to them Home Learning is far more tiring!

I do agree that Lockdown in Winter is very tiring. Hopefully, there will be an end to it in the next few weeks. But as the song from this morning said, 'We are Perfectly Ok!' Keep you minds at peace, remember the good things and each day practice feeling calm. And remember, your Heyhouses family love you and we are all together in spirit.

We can weather the rough seas...

We have faith.

Good times lie ahead, we will know peaceful seas once again.

If any of you want to send me pictures of your calm places, and peaceful moments, I will include them in our Friday Film. I like to think in the future people will look at our Friday Films as evidence of what children did in the 2020-2021 Pandemic. We are part of History, let's make our part an inspiring part that future generations will talk about and write about in their lessons!

I hope you all have a good evening. Perhaps instead of reading I should finish my sheep, it has grown a bit, how are yours doing?

Actually having been sent this picture I am feeling very hungry and think I will bake this evening that is a calm, peaceful thing to do!

Remember, be patient and let's do things safely.

Keep in touch...KEEP SMILING ... and keep washing your hands.

With my love,

Mrs Hodgson

You will go out in joy and be led forth in peace; the mountains and hills will burst into song before you, and all the trees of the field will clap their hands.
