

HEYHOUSES ENDOWED C.E. PRIMARY SCHOOL

Letter 32 February 4th 2021

Dear Children,

I hope you have had a good day, done lots of hard work and found time to play. We all need to do things we like (which would be the hard work!) as well as the serious things in life, (which would be designing the Lego model!)

Anyway I hope you have had some exciting moments, some funny moments and some calm, peaceful moments.

I have had more of the first two so far today, maybe the calm will happen when I get home? I am not sure though, because if you watched my assembly, Dorothy and I are making something tonight and you have to guess what it is, so I think busy will be the word for later not calm!

I have had lots of lovely emails today and even a film sent to my Inbox.

Heidi had made a wonderful obstacle course and it looked such good fun.

I know lots of people have made dens this week, some in the interests of History, others just because they like them, and I wonder if anyone else has made an

obstacle course. If you have never made one, have a go! (Just remember to tidy up afterwards!)

You can 'dodge' in and out of things, crawl under things such as chairs, roll across things, do star jumps, do press ups- if it is your obstacle course you get to choose!

Have fun- Heidi did!

I said people had been making dens, well Year 5 had been making shelters instead, trying to understand what it was like for families during World War 2.

Adrianna wrote to me and sent some fantastic photos. Well done!

Dear Mrs Hodgson,

This is the shelter me and my sister made that we would sleep under if there were an air raid. It's under my Grandma's island with pillows and blankets fit for 2 people. I hope you like it.

Adrianna x

Thank you Adrianna. It is a great topic studying World War 2. One day children will study the Pandemic of 2020-21 and your photos and work will be evidence for them to investigate. I wonder what the children of 2070 will think of us?

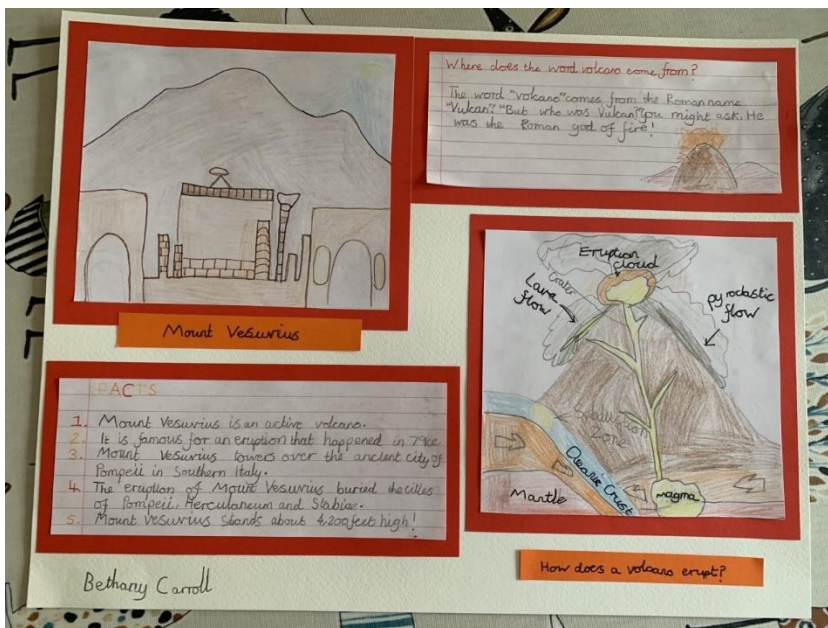

I think they will be amazed at how brave you have all been and what interesting things you have done to make Lockdown better.

Well done!

Hi Mrs Hodgson,

I have had another busy week at home! I have worked hard at my school work and my gymnastics too. I wanted to show you a couple of my favourite bits 😊. I have loved the zoom calls with Mrs Tate the Ottoline scavenger hunt was lots of fun, this is how I ended up looking!! My Mummy is very proud of how hard I worked on my volcano project so I wanted to show you that too.

Love Bethany x

Ps I am still missing school!

We are missing you too.

All of you!

I LOVE the Ottoline Books! The illustrations just add to the wonderful stories.

I think we made a Mr Munro when Dorothy was in Year 3- it took a lot of wool!

Ottoline's adventures all included her good friend Mr Munroe! Year 3 I know you will be enjoying your English this term.

I am pleased to say there is still a lot of baking going on in Heyhouses homes.

Bailey has made the most wonderful Rainbow cake- I am so impressed. It must have taken you ages to make but I bet everyone in your family has loved eating it!

Well done!

That is so clever!

Thank you everyone, more in tomorrow's letter.

Remember, be patient and let's do things safely.

Keep in touch...**KEEP SMILING** ... and keep washing your hands.

With my love,

Mrs Hodgson

Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.

And the peace of God, which passes all understanding, will guard your hearts and your minds in Christ Jesus.
