

HEYHOUSES ENDOWED C.E. PRIMARY SCHOOL

Letter 37 February 9th 2021

Dear Children,

I hope you have all had a good day, I have had a busy one which means it has gone fast. Sometimes days can go slowly, especially in Lockdown when there is a lot of computer time, even for adults this can get very boring. Writing my letters to all of you is the best part of my school day, while I am writing I am thinking of you all and imagining what you are doing and thinking.

Today I have been looking ahead to MAD festival 2021. I have sent you a questionnaire and hope you will fill it in- this is Pupil Power!

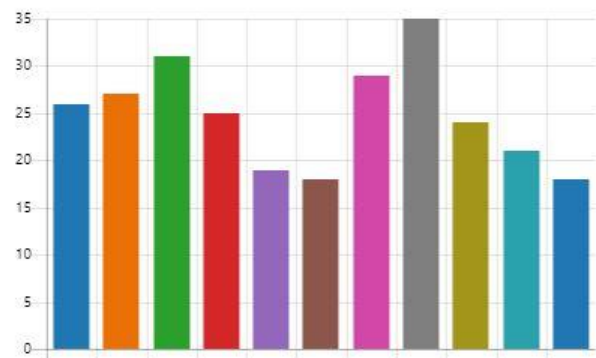

We have had 65 response so far after only an hour- the numbers are close so with 600 children it could go any way! It's now 99 responses!

3. Please indicate which of these activities you would like to do in MAD festival

[More Details](#)

● Samba Drumming	26
● African Drumming	27
● Puppet Making	31
● Theatre shows and workshops	25
● Watercolour workshops with ...	19
● Art workshops: Silk Painting	18
● Art Workshops: Mosaic making	29
● Art Workshops	35
● Dance workshops	24
● Putting on a play	21
● Creating a Class Art Gallery	18

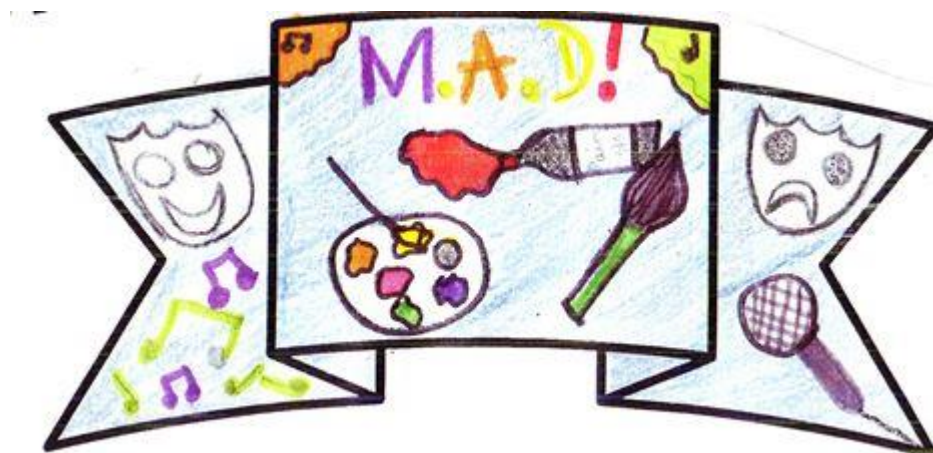

It is going to be fun planning what we can do, hopefully visitors will be allowed by the summer!

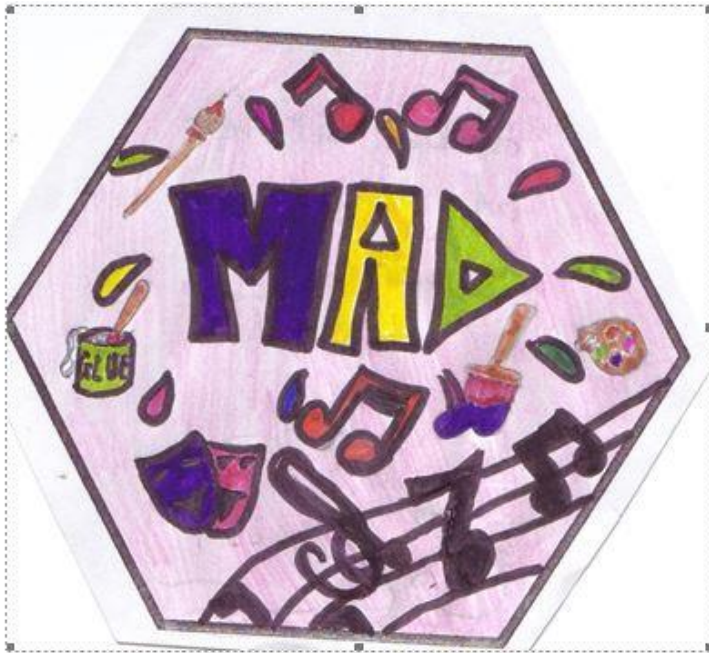

The next part of the planning I will be asking for your help with is the Design a MAD Festival Logo.

This is to go on all letters and booklets linked to MAD Festival 2021. There will be prizes for the designs.

I hope to have a Logo for each year group.

These are two from a few years ago.

I will send out some suggestions for the Logo shape but if you have a better idea it is fine, we like creativity!

You have until March 8th to do your design.

My creative mind is already planning lots of good MAD Festival ideas. We will make it special this year, in fact we will make sure the whole summer term is BRILLIANT because we have missed a lot in the last year.

I love getting emails from teachers when they are genuinely delighted with your work either at home or in school.

Reception children you are doing a great job. Your first year in school and it is so different but you are showing what good Heyhouses children you have become.

Well done Charlie!

Well done,
this looks
fun!

Meanwhile Year 5 have thoroughly enjoyed their work on World War 2.

This is a brilliant shelter, Amy, it looks like the real thing.

Eve and Felix look very comfy in their shelter.

Home Learning at its best!

Well done Evie, this is a great start to independent writing.

I love writing but I can still remember learning my letters and trying to spell my name. Elizabeth is a very long name when you are 4 years old!

Keep trying hard all children who are learning their letters- once you have learnt them they will be useful for life.

I hope you all like the story I used in Worship time today. It was a new story but one which I loved, especially the illustrations and the theme.

Tonight, if you do not like the dark just remember the story and how we need the dark so we can see the moon, and 'remember the light in your heart.'

James filled his window with hearts, very suitable for this time of year and it fits with our story. Thank you!

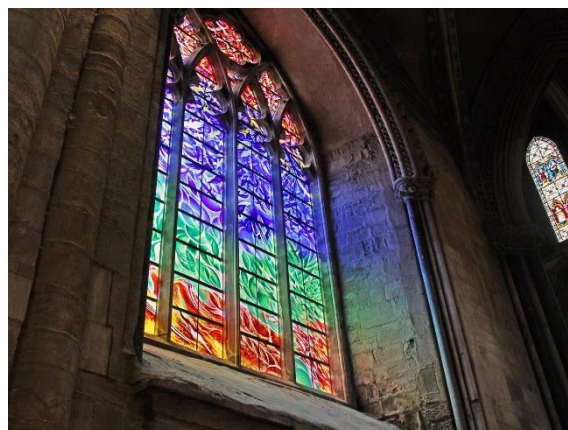

Have a good evening. I will write again tomorrow.

Remember, be patient and let's do things safely.

Keep in touch...KEEP SMILING ... and keep washing your hands.

With my love,

Mrs Hodgson

Believe in the light while you have the light, so that you may become children of light.
