

Spelling Sequence – Use this to work out which sounds are needed to spell a word.

Say

Say the word

Stretch

Elongate the sounds in a word to allow you to hear each sound clearly: for example, 'caaarr'.

Sound Talk (with Robot Arms)

To split up a word into its individual phonemes in order to spell it: for example, the word 'cat' has three phonemes /c/ /a/ /t/. Children are asked to count the individual sounds in the word to help them to spell it.

Blending hands

Clap your hands (silently) as you blend the sounds together to say the whole word.

Count

Count the sounds within the word
