

Heyhouses Reception Newsletter

Spring Term 2 Week 6

www.heyhouses.lancs.sch.uk

This Week

This week, we have focused on exploring the events of Easter Week. We made Palm Branches to remember Jesus' triumphant entry into Jerusalem on Palm Sunday and we shared bread and wine (blackcurrant!) to re-enact The Last Supper. The children have listened to Bible readings and explored feelings of sadness about Good Friday and feelings of joy about Easter Sunday. We made an Easter card for our families to remind them of this special time in the Church's year. All of the Reception Team wish you and your families a happy and Holy Easter Break. See you back at school on Monday 17th April.

Phonics

We are not sending home Reading Books for over The Easter Break. Please look at E-books online.

Maths

Focus: pattern and shape

This week the children have copied and completed repeating patterns in a number of creative ways. They have explored 2D shapes in pictures as well as named and described 3D shapes used to make their Superhero Vehicles.

Thank you to everyone who was able to support our cake sale.

Thank you also to everyone who made a Superhero Vehicles, all the teachers were so impressed with your imaginative ideas and the quality of the models produced. We would like to keep them for display as part of our school Open Evening in The Summer Term.

Easter Challenge

We are sending home a French Climbing Bean seed for the children to continue to cultivate at home. Send photos if you are successful!

Next Term.....

Our main topic next Term will beanimals.

If you or any family member has a pet, talk to your child about them. Discuss what different animals need to keep them happy and healthy.

Send in or email a photo of your pet for your child to show their class.

If you don't have any pets, you could talk about a family member's pet or what pet they might like when they are older.

Any photos of Easter Holiday Activities would also be nice to see.
