Summer Term 1 Week 4

www.heyhouses.lancs.sch.uk

This Week

Following the Bank Holiday Weekend Celebrations, the children recorded their experiences of watching The King's Coronation. We also continued to learn about different animal habitats including woodlands, the rain forest, polar regions and ponds. In P.E lessons, the children practised overarm throwing, traveling over, under and through apparatus as well as travelling in a variety of ways.

Phonics

This week we focused on reading words starting with 3 consonants, such as strong, splash, scrub and splinter. We continue to work on using the correct letter formation as well as basic punctuation.

Maths

Focus: Composition

The children reviewed the composition of numbers 6-9 using the '5 and a bit' structure, then began to explore how 10 can be composed. Use fingers to show numbers that add up to 10.

MAD Festival 2023 22nd May- 9th June

Every Summer Term at Heyhouses, we hold a Music Arts and Drama Festival, introducing the children to a variety of creative experiences. We are looking forward to welcoming some special performers in to school and the children will have wonderful opportunities to try something new and widen their horizons!

The Theme for The Festival this year is 'Celebrating the best'

Next Week.....

Please send in any empty egg boxes and a pebble to turn in to a minibeast.
