### This Week

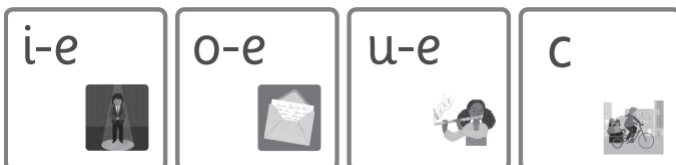

The children have spent some time in their Year One classroom. They had a phonics lesson, completed some work and had a playtime in the Infant playground. On Wednesday, the Reception children welcomed some of the Heyhouses Nursery children into their classrooms as part of their Charter Tasks. They showed the Nursery children some of their favourite things to do in school and played games with them. They also sang them some songs and shared a story with them.

On Wednesday afternoon we had a visit from an RLNI Volunteer who talked to the children about how to stay safe around water, especially over the Summer holidays. Thank you to the RLNI for all the work they do keeping people safe along our coastlines.

You will soon be receiving an email containing all your child's observations from The Summer Term which we hope you enjoy sharing with them and the rest of your family. Your child's formal progress report will be sent home next week.
