Summer Term 1 Week 1

www.heyhouses.lancs.sch.uk

This Week

Our focus text was Clean Up! by Nathan Bryon. This story is about a girl called Rocket. Rocket can't wait to go on holiday to visit her grandparents on their beautiful island, but she soon sees how plastic pollution is spoiling the beaches and endangering sea creatures. Rocket finds a way to clean up the island and save the sea life.

This lead on to us looking at what is pollution and how are we harming our planet.

The children thought about how we can help to improve our environment by saving energy, water and recycling as much as possible. They made an eco-hero promise and created posters to encourage others to do the same. Perhaps you could share any photos of your little Eco-heroes in action at home via the Evidence Me App.

Phonics

We have now started Phase 4 of our Phonics Programme. We started by reading and writing words ending in ed. See if your child can spot any of these words when reading at home.

Maths

Focus: Composition

We learned about ordinality: considering where numbers to 10 are in relation to each other. The children reasoned about numbers and thought about more or less. We played games to encourage them to compare numbers that are far apart as well as next to each other.

Heyhouses Summer Fair
Saturday 10th May
At the Junior Site 11am - 2pm

Everyone is welcome to come to our Summer Fair. There will be a bouncy castle, bouncy slide, tombolas, raffles, Hook a Duck, Bat the Rat, Coconut Shy, refreshments, burgers, hot dogs, ice-creams and cakes!
