4th March 2022

Our Topic Focus this week has been Healthy Heroes so we have explored how we can stay healthy by eating well, sleeping well and taking part in regular exercise. We also talked about the importance of looking after our teeth, especially after sugary treats. The school nurses were in school to check our heights and weights too.

The highlight of this week has to be World Book day on Thursday, where the children came to school dressed as their favourite book character. Everyone looked fantastic! After showing off our costumes, we shared some of our favourite stories and drew illustrations from the book. We had a go at making our own books, including number books.

This week, we also celebrated Shrove Tuesday by learning about why it is traditional to eat pancakes to mark the beginning of Lent. We talked about our favourite toppings, (healthy and not so healthy!) and we tasted some pancakes too!

To mark FAIRTRADE Fortnight the children learnt more about what FAIRTRADE means. If you go shopping with your child, ask them to look out for the Fairtrade symbol. If you buy any FAIRTRADE products, the children can bring in the packaging to show the class.

Our Bible story this week was The Lost Sheep.

## Stay and Play

Please return your reply slip if you would like to attend the Stay and Play sessions, starting in a couple of weeks. If you are unable to attend, we can offer a phone call from the class teacher to update you on your child's progress.
