

Reception News

Week ending 6th November 2020

Hello Everyone !

The children have come back to school full of renewed energy and we have enjoyed listening to their news about Half Term activities. Each child has had a go at writing about a fun day they had with their family. The teachers were very pleased with their attempts at forming letters and giving meaning to their mark-making.

We have revised all the letter sounds we have learnt so far and practised blending and segmenting simple words using our Metal Mike Robots.

In maths, we recapped how to write numerals and played games to find one more or one less than a given number. **Please send in egg boxes for a maths activity next week.**

We have been learning about Guy Fawkes and The Gunpowder Plot in preparation for Bonfire Night. The children have used a variety of creative resources to make Firework themed artwork and we made chocolate bread stick sparklers to eat. On Friday, each class recreated their own bonfire with treasures found on our Wild At Heart walk. We also enjoyed marshmallows and hot chocolate.

Please see our Website for Home Learning Ideas.

Birthday Topic

Thank you for sending us such gorgeous baby photos. It's not too late to send one to us as part of our 'Birthdays and Celebrations' topic!

Happy Birthday

This week we have celebrated the birthdays of
Isabelle Davies, Thea Crème,
Annabelle Turner, Poppy Jowitt,
Abdul Momin and Luca Parrish.

Parent Share

You should have received a message via MyEd about 'Evidence Me', a new system which allows us to share what your child is doing at school. If you have confirmed you would like to participate via email, you should now start to receive observations of your child each Term.
