20th November 2020

Hello Everyone!

This week, each class has been busy planning a surprise party for their class teddy. This has involved making lists of their favourite party food, writing invitations, making cards and wrapping presents. The role-play area has been enhanced with Birthday paraphernalia such as banners, pretend cakes and candles so the children can act out Birthday celebrations with their friends.

In maths, we have explored subtraction and the magic number was 7. We have wrapped up 3D shapes and tried to guess what's inside the paper.

In phonics, we have learnt the sounds and letter names of 'h', 'b, and 'f, ff'. The tricky word focus was 'into.' We have read simple stories in groups and on Bug Club. Please have a look at Bug Club books at home by signing in to activelearnprimary.co.uk.

The children have also been enjoying outdoor adventures in our Wild At Heart area. We have learnt about hibernating animals such as hedgehogs and used clay to recreate our own prickly friends. We will then build dens for them to sleep in through the Winter months.

Don't Forget Our Party Days Next Week

Blossom Class—Tuesday 24th November

Oak Class—Wednesday 25th November

Sycamore Class—Thursday 26th November

The child can come to school in their party clothes to celebrate the Birthday of their class teddy. They will still be going outside to play so please ensure they have something warm to put on and the appropriate foot wear.

Happy Birthday

This week we have celebrated the birthday of
Sienna Appleyard
