4th December 2020

Hi everyone,

This week, we have been fine-tuning our Nativity Plays in preparation for our performances next week, which will be recorded and ready for you to enjoy over the Christmas Holidays. The children have also been learning to do sign language to go with each song as well. We have sent home the words for 'Away In A Manger' for the children to practise at home.

We have begun to record the Nativity Story in our writing books and the children have created some beautiful art work.

In maths, the magic number was 9 so we have explored ways to make 9 and practised forming the numeral correctly.

We have talked to the children about a special gift that they could do for Jesus such as helping at home or doing something nice for someone else. See if you can spot any good deeds happening in your house this weekend! You could tell us about them via The Evidence Me App. We would love to hear about them.

## Christmas Biscuits

**Christmas Biscuits, lovingly made and baked by Mrs Morris, one of our fabulous Teaching Assistants, and decorated by the children, will be available to buy in the last week of Term for £1 each. Please send your money in a named envelope.**

**All proceeds will go towards paying for resources for The Reception Department so please support us if you can.**

**Thank you**

## **Happy Birthday**

This week we have celebrated the birthdays of  
**Oscar Burns and Link Clarkson.**

The Reception Christmas Party will be on  
**TUESDAY 15th December.** The children come to school in Party clothes, ready to enjoy Party Games and Party Food.
