

Heyhouses Reception Newsletter

Autumn Term Week 6

www.heyhouses.lancs.sch.uk

This Week

The children have looked at signs of Autumn such as, leaves changing colours, conkers, acorns and pumpkins. We have used some of these objects to inspire our art work. Can you spot any of these signs of Autumn when out and about this weekend?

If you attended the Stay and Play sessions, we would really appreciate it if you could complete the comment sheet sent home. Your feedback will help us to plan further events.

Phonics

This has been an 'assess and review' week for revising all the sounds learnt so far, blending and segmenting them to read and write. We introduced the following double letter sound:

ss- sunbathing snakes

Maths

This week's Number was : 5

Maths Home Challenge:

Counting, cardinality and ordinality

Sing counting songs that focus on counting forward e.g. 1,2,3,4,5, Once I caught a fish alive.

Practise moving objects to count how many altogether in a set up to 10.

Ask your child to count sounds such as claps or sounds on an instrument

Can they record the result of their count?

Important Dates

The Reception Class Photos will be appearing in The Blackpool Gazette Newspaper on the 13th November.
