10th September 2021

The children are settling well into their new classes, getting to know their teachers and making new friends. They are quickly adapting to their new routine and they are enjoying exploring their new classrooms. They have been learning to follow the classroom rules which include 'Kind hands, Careful feet and Nice words'. The teachers have enjoyed spending some one to one time with each child, sharing their 'This is Me' book and asking them to draw a picture of their family.

Our first topic is 'Marvellous Me' so the children will be finding out about how their amazing bodies work. The children have also been making self-portraits using the Interactive SMARTBOARD as well as through paint and collage.

By this evening, you all should have received observations to show you a snap shot of your child in school. Please let us know if you have any problems accessing them.

Happy Birthday

This week we have celebrated the birthdays of
Matilda Naftel, Finley Davenport, Finley Massey, Tilly Wane, Eleanor Bennett and Ryan Sudheesh

Next Week.....

Please can you try and make sure your child continues to wear their name badge for the next few weeks. Although the Class Teachers and Teaching Assistants now know their names, it helps the other adults they will come into contact with such as Welfare Assistants and The Management Team who like to pop in to see all the Reception children when they can.

Unless your child brings a packed lunch, please only send them with their blue school reading packet as we have limited space to manage other bags as well.

Just a few reminders about snacks and drinks at school:

- One morning snack is usually enough. The children go for lunch at 11.45a.m and have fruit to eat in the afternoon.
- If your child has grapes for a snack, please cut them in half.
- Please only send water in water bottles rather than juice or flavoured water as we are a 'Healthy School'.

Last thing, please check you have named your child's jumper or cardigan. They do tend to go astray so it really helps us to ensure the correct one gets back to you each day!

Thank you for your patience at home time. We are beginning to learn where each parent or family member tends to stand in the playground so this makes it easier for us to spot you!

Any questions, please ask at the door in the morning or at the end of the day when the teacher has seen all the children out safely.
