Hi everyone,

For the second week of The Music Art and Drama (M.A.D) Festival

The Reception children took part in a drumming, dance and mask making workshop with a company called BYGPAW, who have been part of our school's MAD Festival for many years.

In 'Heart of Art', each class were show pieces of art work which reflected some of The Wonders of The World. They were then challenged to spot different objects in each piece of art and were asked questions about them. The teachers were really impressed at the children's knowledge and how engaged they were. The children completed their own piece of art which they got to take home. In class, we continued our Great Barrier Reef exploration. We used lots of different creative resources to make turtles, starfish, seahorses and octopus'. We also looked at different musical instruments and danced to some different styles of music.
