Week ending 12th March 2021

Hi everyone,

It has been so good to see the Reception children back in their classrooms. This week we have started to think about real life heroes such as doctors and nurses, fire-fighters and police officers. First, we looked on the internet and at non-fiction books to find out more about them. The children have really enjoyed dressing up and acting out emergency scenarios. We set up a class clinic for each class to put in to practise their First Aid Knowledge. Lots of children talked to the class about their own experiences of visiting a doctor's surgery or a hospital.

In maths, the magic number was 19 and we have completed subtraction sums by taking away from a given number, crossing out objects or by counting back.

In phonics, we have revised all our phonemes and tricky words by reading and writing sentences. In the run up to Easter, we are reading Bible Stories that Jesus told to his followers such as The Good Samaritan and The Lost Sheep. Can you find them in your Bible at home?

Happy Birthday

This week we celebrated the Birthdays of Dominik Wronski, Ewan Langdon, Scarlett Adler, Sophie McEvoy-Wilson, Millie Smith, Emily Heyes, Sophia Keil, Ava Wood, Logan Ashford and Muhammad Adam.

Please email any photos of special projects or new skills learned over

Lock Down. We would love to show them as part of our Show and Tell on Friday. Perhaps you could design and make a Superhero Vehicle to show next week?

We have enjoyed seeing some of your Superhero Capes that were made at home from an old T-shirt.
