8th July

Hi everyone,

This week, the children have been treated to not one, but two Theatre Performances in school. On Tuesday, we saw a musical adaption of The Story of Peter Rabbit and Benjamin Bunny and on Wednesday, we saw a performance of The Wizard of Oz. The children thoroughly enjoyed both shows and it was good to have travelling Theatre Companies back in school after so long. We have also been preparing the children for their move up to Year One in September. Each class spent part of Friday morning in their Year One classroom with their Year One teacher. They completed a directed task and learned about some of the exciting things they will do next year. The children had a good look at what was in their classrooms, visited the cloakroom and the toilets and had a play in the Infant Playground. Later on, the Year One teachers chatted to the Reception teachers about each child to ensure a smooth transition for everyone in September. Reception also welcomed some nursery children in to their classrooms for a play visit and enjoyed some-time showing them around.

Reports

You will receive your child's annual report in their book bag next week, along with their Learning Journey which are yours to keep as a record of your child's individual achievements during their first year at school. We hope you enjoy looking at these with your child and that they will help them and you to remember lots of happy memories of their time in Reception. We will also send home writing books for you to keep. Reading books have now been collected in. Don't forget you can also still access Bug Club online to keep up with regular reading over the summer.

If you wish to discuss any aspect of your child's report, please make an appointment by phoning the office or via the teaching assistants at the door.
