11th February 2022

Hello everyone,

The highlight of the week has to be 'Once Upon A Time' Day. All the children looked amazing and we had a day filled with singing, dancing, fun and games. Everyone enjoyed making some magic potions as well as magic wands and swords to include in their imaginative play. We have included photos and films from the day on The Evidence Me App.

The rest of the week we have been working hard to learn the last of the Phase 3 Phonemes (letter sounds)

These are **er (as in tower)**, **ear (as in fear)**, **air (as in fair)** and **ure (as in pure.)** All the Phase 2 and Phase 3 sounds are in the middle page of your Reading Records so please look at these with your child as often as you can.

In maths, we looked at number bonds of 10 as well as ordering numbers. We looked at different coins and counted up in 1's, 2's and 10's. We recorded our favourite Fairytale characters using tally charts and bar graphs.

As it is Valentine's Day next Monday, love is in the air so the children made cards for the people who are special to them.

Enjoy the half-term break and we look forward to seeing you on **Monday 21st February**.

Love from The Reception Team

## Please help!

Next term, our topic will be.....

## Superheroes!

Please send in an adult-sized NAMED t-shirt for your child to transform into a cape to wear at school, for when they are taking part in Superhero missions. If you have any spares, please send them as well!

If your child has any superhero figures, they may bring them in to school to aid our discussions. They will be kept in a safe place but please ensure they are clearly named and not too precious, just in case. We would also like any 'superhero' themed comics for our book corner.

Also, if you are a real life superhero (e.g. Police officers, nurses, fire-fighters) or if you know any who would be willing to come in to talk to the children, please let us know.

Our Theme for 'Show and Tell' next Term will be 'People around me' which is to encourage the children to talk about the lives of the people around them and their roles in society. Please see the Home Challenge Sheet sent home for more details.

Finally, we love to receive photos of what you and your family get up to during the Half Term Holiday, so please email these to us before the first day back, **Monday 21st February**

Thank you!

## Happy Birthday

This week we celebrated the Birthdays of  
Sai Sanjay Viswanathan, Millie Darbyshire, Alfie Stanyon  
and Ivy Anderson
