

Heyhouses Reception Newsletter

Spring Term 2 Week 2

www.heyhouses.lancs.sch.uk

This Week

Our Topic Focus this week has been Healthy Heroes so we have explored how we can stay healthy by eating well, sleeping well and taking part in regular exercise. We also talked about the importance of looking after our teeth, especially after sugary treats.

The highlight of this week has to be World Book day on Thursday, where the children came to school dressed as their favourite book character. Everyone looked fantastic! After showing off our costumes, we shared some of our favourite stories and drew illustrations from the book. Thank you to everyone who took part in the book swap. We hope to do this again soon.

Phonics

Please don't forget to read the e-books assigned to your child as well as the 'real' books sent home. This is a valuable resource paid for by school to ensure the children experience a wide variety of reading experiences.

Maths

Focus: comparison

Model the language of 'more than', 'less than' and equal to' to describe the relationships between numbers. 'Less than' is used instead of 'fewer than' when the focus is on each number's position in the counting sequence.

Play track games. Who rolled more?

Home Challenge FAIRTRADE

To mark FAIRTRADE Fortnight the children have begun to learn about what FAIRTRADE means. If you go shopping with your child, ask them to look out for the Fairtrade symbol. If you buy any FAIRTRADE products, the children can bring in the packaging to show the class.

Thank you to those of you who were able to support the Fairtrade breakfast this morning. We hope you enjoyed participating. It was lovely to see so many of you in school.
