

Heyhouses Reception Newsletter

Spring Term 1 Week 5

www.heyhouses.lancs.sch.uk

This Week

This week we read the story of The Gingerbread Man and the children helped to make their own Gingerbread Men to eat, despite some escaping from the oven at lunchtime, causing great excitement!

We have also enjoyed reading about your family's favourite Fairy Tales from the Home Challenge task. You can still send in your completed homework next week if you haven't already.

Thank you for sending in your Baptism photographs. These have inspired discussions about what it means to be part of God's family.

We have been practising some Once Upon A Time songs such as 'There was a Princess Long Age' and we are learning one of our favourite stories off by heart so we can tell it without the need for a book. We will record these for you next week.

Phonics

This week was an *Assessment and Review week*, which allowed us to revise all the sounds introduced so far and to check each child's progress. Please continue to read regularly at home to ensure your child is applying their sound knowledge at home as well as at school.

Maths

Focus: Composition

Our magic number was 10 so explore the composition of 10 in practical ways, e.g. count out 10 objects and find different numbers that add up to 10 by dividing the group in to sub groups. Have a go at recording this as a sum.

Sing '10 in the bed'

Use language 'more' or 'fewer' when comparing 2 sets of objects.

Build towers together and count how many bricks in each. Which has 'more' bricks and which has 'fewer'?

Once Upon A Time Day

Next Wednesday 8th February

Come to school dressed as your favourite Fairy Tale character ready for fun and games.
Let us know if you need help sorting a costume.

Can you help?

Please send in empty cereal boxes or smaller boxes as well as kitchen roll tubes for a castle making project next week.
