

# Friends of the School – Re-launching as Our PTA

We are delighted to share that our Friends of the School (FOTS) are being re-launched as our official **Parent Teacher Association (PTA)**.

Over the years, FOTS have played a vital role in supporting school life by organising much-loved events for our children and families, including the Valentine's Disco, Easter activities and festive celebrations. This re-launch marks an exciting next step, with the group working towards becoming a fully constituted PTA, strengthening how they operate and how they support our school community.

As with all PTAs, the success of the group relies on volunteers. Whether you can help regularly or just occasionally, any support would be hugely appreciated and really does make a difference.

## New PTA Roles

- Chair: There is currently a vacancy for this role
- Vice Chair / Secretary: Joanna Evans
- Treasurer: Claire Foster

All money raised through future events, including the Valentine's Disco, Easter events and more, will go directly towards projects that benefit all our children.

The PTA's first fundraising focus will be raising money for exciting **new playground markings** for everyone to enjoy.

**Our initial fundraising target is £4,000.**

The GoFundMe banner will be on the school yard next week, with a QR code to donate. Please keep your eyes peeled. Further information will also be shared via Facebook and the school website.

If you would like to get involved or find out more, please contact:  
[fots@highgreen.sheffield.sch.uk](mailto:fots@highgreen.sheffield.sch.uk)

Thank you, as always, for your continued support of our school community.

Team HGPS
