

July 2026

Dear Parents and Carers,

We are delighted to introduce **Gooddies** as the new official uniform supplier for High Green Primary School. We hope this letter gives you everything you need to know about ordering your child's uniform with ease.

About Gooddies

Gooddies has been providing high-quality, robust and ethical school clothing to families across the UK for over 20 years, supplying more than a thousand schools nationwide. Their wide range of garments — from sweatshirts and polo shirts to PE kits and bags — is built to withstand the demands of school life, so you can be confident your child's uniform will last. Visit gooddies.co.uk.

Ethical & Sustainable Garments

Almost all of our school garments are proudly manufactured by **One+All** — schoolwear with a difference. One+All are a certified **B Corp**, meaning they meet the highest standards of social and environmental performance, accountability and transparency. Their commitment to sustainability runs through every step of production — from the raw materials and the people who make them, to how the garments are packaged and delivered. Choosing High Green uniform means choosing clothing you can feel good about. Find out more at oneandall.co.uk/sustainable.

Try Before You Buy — Size Set at School

We understand how important it is to get the right fit! A **sample size set** is available to try in the **school reception area**. You are very welcome to pop in during school hours to try the garments on your child before placing your order online.
