Meet the Teacher evening – Monday 25th September 6pm

We would like to invite you into school on Monday 25th September, for you to view your child's classroom, meet their teacher and find out more about key assessment points in the year e.g. SATs. Please note, this evening is intended for parents and carers, not children – please access school via the front entrance.

Open Morning – Tuesday 26th September 9:30 – 11:00am

Our open morning, for Reception 2024 will take place on Tuesday 26th September, where we will be delighted to show you our Early Years Classroom and wider school grounds. We also have places available in our Nursery, and children can begin the term following their third birthday.

Smart Watches

Children should not be wearing smart watches in school. These can be very expensive, and school cannot take responsibility should these get lost or damaged. They also do not conform with our Online Safety policy, and keeping your children safe is of our highest priority.

Water Bottles

Please could we ask that its is only water in water bottles to be drunk during the day. Children are welcome to bring juice for their lunchtime drinks – no fizzy drinks though! Thank you for your understanding in this matter.

Parent Governor Election – Closes Friday 29th September

Our Governing Body now has a vacancy for a Parent Governor. Being a Governor is a vital, voluntary role, and helps make decisions about the future direction of our school. It involves approximately 3 meetings a term (early evening). If you are interested in standing, please return the nomination form to the school office by Friday 29th September.

Mobile Phones

Should mobile phones need to be brought to school by older children, these should be handed to the office each morning for safe-keeping.

Late arrivals

If your child is late, please bring them in via the main entrance and record the reason in the late book.

Loom Bands

Please ensure these are not brought into school as they are causing friendship issues!
