If you use a specific council service, we will usually let you know how that service will use your personal information via a separate privacy notice.

The Data Protection Act 1998 and the EU General Data Protection Regulation ensure that we comply with a series of data protection principles. These principles are there to protect you and they make sure that we:

- Ensure that the personal information processed is adequate, relevant and limited to the purposes for which it was collected.
- Ensure the personal information is accurate and up to date.
- Keep your personal information for no longer than is necessary for the purpose(s) for which it was collected.

Where we need to disclose sensitive or confidential information such as medical details to other partners, we will do so only with your prior explicit consent or where we are legally required to.
