# Admission arrangements for Nursery places

Subject to availability of places, if your child is 3 before 31st December 2018, they can start in nursery in January 2019. If your child is 3 after 1st January 2019 they can start at the beginning of the term following their 3rd birthday.

Application forms for places can be obtained from the school office or downloaded from our website and places will be filled on a first come, first served basis. **Please note that nursery application is entirely separate from the application process for Primary school places.**

Attending our nursery does not guarantee a place in our Reception class. Children attending our nursery may apply for primary places in other schools, and children attending other nurseries are not considered less favourably by the local authority who determine admission into primary schools.
