Year C 2024-25	Café / Pizzeria - food and ordering	Town - where do I live? places, directions	School - class objects, subjects, places in school
	+ Christmas	+ Easter	+ Bastille Day

Notes:

Topics will be differentiated/adapted by year groups. For example - number could mean 0-10/11-20/20-31/0-60. Within one year topic order may be rotated to fit with class topic. At any point in Yr4/5/6, topics may be substituted to make cross curricular links. Yr6 will revise core skills in the summer term in preparation for high school.

Progression should be: word → phrase → sentence → text

New vocabulary should be introduced through: hear it → say it → read it → write it

Revision sections should take less lesson time further through the school years, meaning more time on topics. Links can be made between revision sections and themes ie seasons + clothing / age + family

Phonics should underpin throughout with lots of focus from Yr3.
