Friday 2nd July 2021

Dear Families,

This week has been a busy one! Lots of work around work experience and preparing for adulthood which the students have embraced brilliantly.

Some of the students downstairs have been involved in contributing some ideas for our Carnival Day on 14th July. There will be a separate letter communicating plans for the day but based upon the students ideas it will be fantastic! We would love for parents and carers to be involved in our Artsmark journey so if you have a hidden artistic talent (music, drama, art, textiles) they would like to share please do get in touch with our Artsmark Leads Claire & Mary via the school office.

Students in the S classes have done some brilliant work this week around preparing for the world of work with our virtual work experience week. They have completed lots of challenges from different employers, explored job descriptions and also done some valuable work about applying for jobs. We even had some interviews this week for 'roles' within the school such as Snack Monitor. The students did so well.

This week we also had a visit from a local graffiti artist. It is hoped that we can engage the students in creating a collaborative piece of artwork to brighten up some areas of the school. More plans coming soon!

Best wishes,

Yvonne Skillern

- A summary of your child's progress this year has been posted on to their Evidence for Learning Account. Please take a look at the summary charts on Class Dojo which helps explain the levels. If you are having difficulty viewing these please contact the office who will reset your password for you.
- If you would like to discuss the contents of these reports please complete the slip
 that was sent home last week to book a telephone appointment with your child's
 class teacher. This is to take place on Wednesday 14th July between 3.30-6.00.
 Please note you will not need an appointment if your child has had their Annual
 Review this half term as the same content would have been discussed.
- Can I remind everyone that we are **nut free school**. If students bring products in containing nuts it will be necessary to confiscate them for the health and safety of all our learners.
- Secondary aged students please don't forget to test twice weekly and report results to covid@highfieldlittleport.org as well as the government website.
- Covid cases have slowly begun to rise again in our area so can I please remind parents who are collecting or dropping off to observe social distancing measures and wear a mask please.

Online Safety Tip of the Week

Teach your child about evaluating information and being critically aware about what you view online. Most children use the internet to improve and develop knowledge in relation to schoolwork and personal interests. Children should be aware that not all information found online is correct, accurate or relevant. Show your child how to check information they find by comparing it to alternative sources on the same topic. Show them trusted sites they can use to compare information.
