

**Do you ever shop online? – YES!
Do you want to raise money for Highfield whilst shopping online –
without it costing you anything extra? – YES!**

Give as you Live is an online fundraising platform that acts as a portal to online shopping. You create an account, nominate a charity of your choice and then carry on shopping as normal. As you shop you raise money for your charity! And it doesn't cost you anything extra.

The Highfield Friends and Parents Association (HFPA) has registered with Give as You Live so that friends and parents can raise money all through the year. The HFPA is a UK registered charity that works to fundraise for additional activities and equipment for the pupils of Highfield School.

Setting up 'Give as You Live' is quick and simple and doesn't cost a penny; all you need is an email address.

There are hundreds of online shops signed up to Give as you Live. Do you shop in any of these stores?

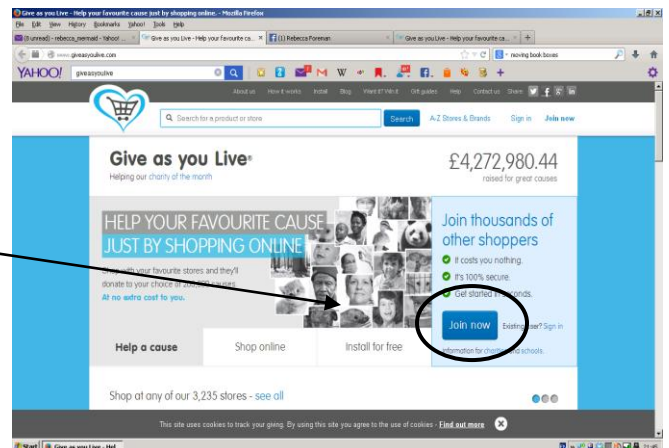

- Tesco
- Amazon
- Lastminute.com
- Ebay
- Debenhams
- M&S
- Asos
- Next
- Argos
- John Lewis
- Plus many more

If your answer is YES – then while you shop you can raise money for Highfield.

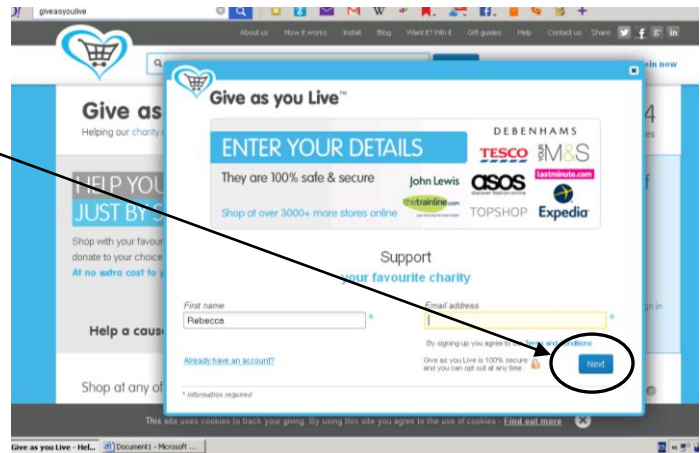

Please follow this step by step guide to set up your Give as you Live account.

1. Go to www.giveasyoulive.com

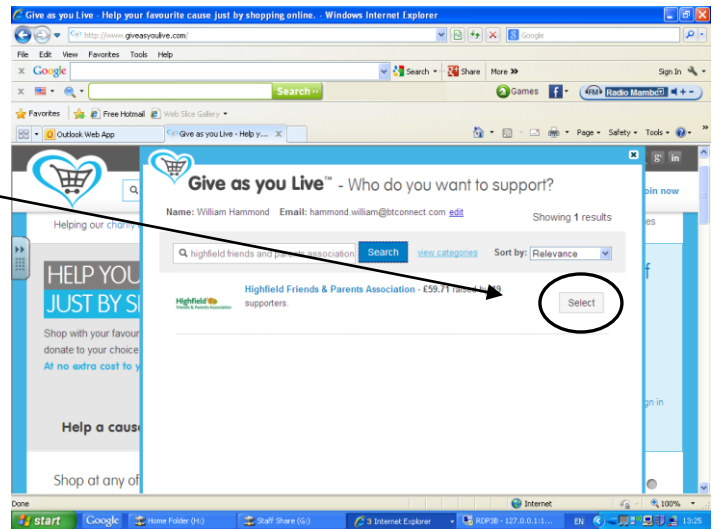

2. Click 'Join Now'

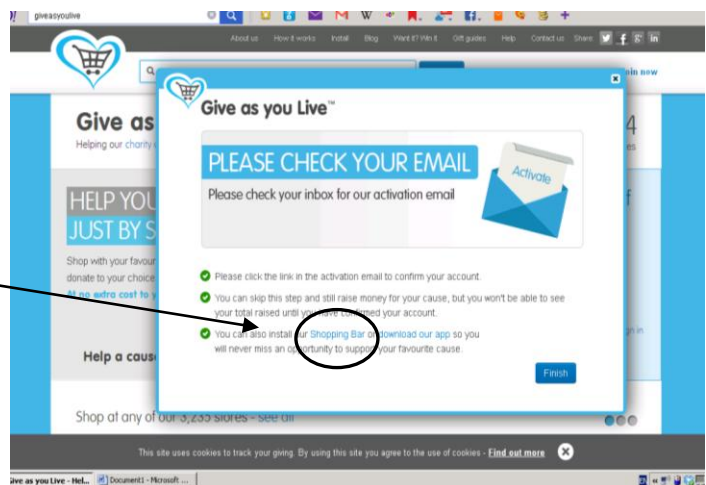

3. Enter your name and email and click 'Next'.

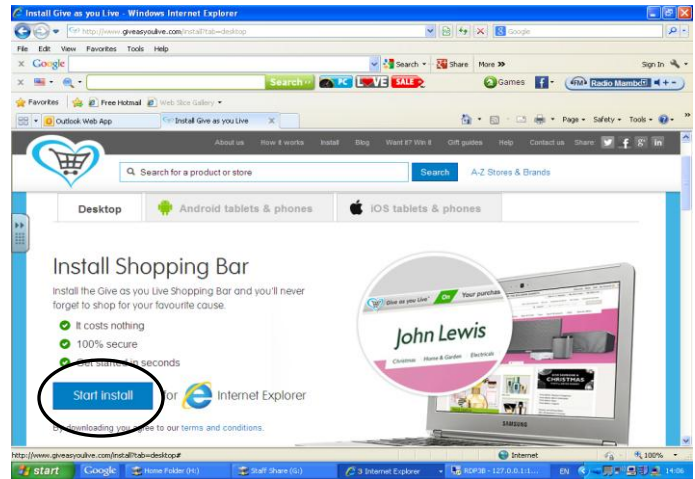

4. Give as you Live will then ask you which charity you want to support. Simply type 'Highfield Friends and Parents Association' in the search box and we will appear! Then click 'Select'.

5. Then that is your account set up. You will see a confirmation screen, like this one, asking you to check your email. It also invites you to install the shopping bar. Click on [shopping bar](#) to install.

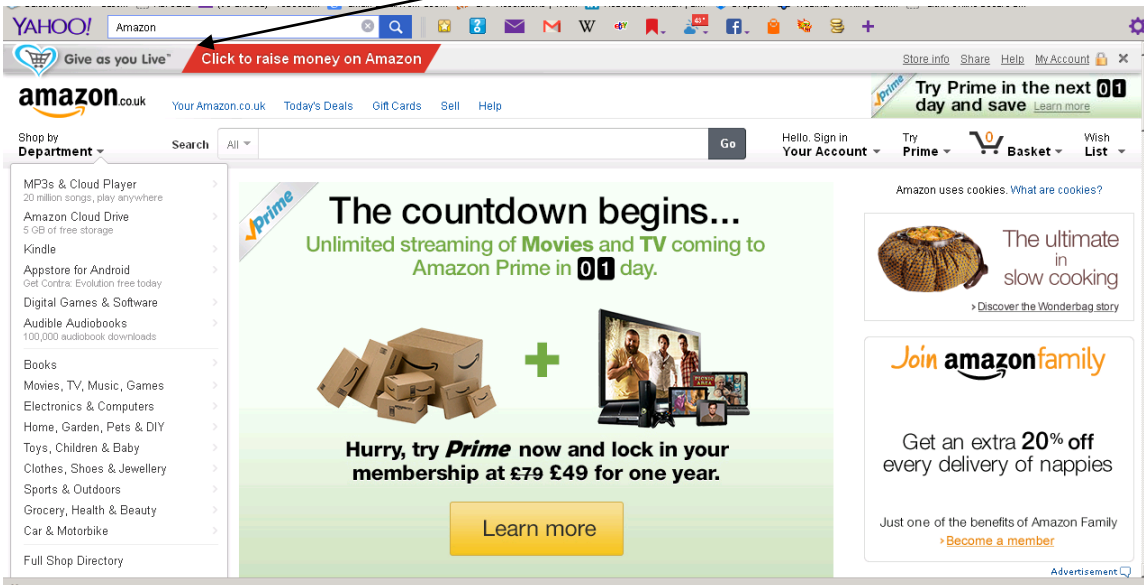

6. Click 'Start install'.
By installing the shopping bar, every time you visit a participating website, the bar will show at the top of the screen, inviting you to click on the bar to tell the website to donate to the HFPA via Give as You Live.

7. Log into your email and click on the confirmation request. It will take you back to the Give as you Live website to give a few more details.

THAT'S IT! YOU'RE READY TO GO.

If you download the shopping bar your internet shopping will look as normal – there is just an additional toolbar at the top (like this):
