

# Highfield After School Club

Autumn 2018

## Hello!

Welcome to the latest edition of our club newsletter.

The after school club gives your child the opportunity to participate in many fun activities at school while spending time with their friends.

**BUDGET** - The costs of running the club continue to provide challenges, the big cost to the club and its best asset is staff. We will always have a suitable number of staff, providing a safe and fun space for all the children and young people attending.

**REMINDER.....**Please can you make sure all clothing is named.

We cannot always guess which child's coat, hat, jumper etc. we have, and can only easily return home named items.

We know the children enjoy the snow, but sometimes weather conditions mean that the school has to close, just to remind you that if the school is closed the club will also be closed.
