Messages to the Club

If you wish to communicate to the club please can you send information/letters to the club and not write them in the class/school communication book. It is fine to put a letter in your child's bag or send direct to the school office for the attention of the after school club or Daniel Godfrey. Alternatively you can send text messages to the club mobile phone, the number is at the end of the newsletter.

Please can any pre-planned absences from the club be communicated to us to help avoid any confusion at the end of the day.

Please note if a child is not at school they cannot return to attend the club, this is also the case if your child is on a residential trip with the school.

Please also note that any booked sessions will need to be paid for, the club does not offer credits or swaps (in line with the club policy)

If you do not need a session this needs to be advised when you are invoiced before each term.

Thank you for your help.

Autumn Term
Club starts again

Goodbye and Good luck to our leavers (we will miss you)
