Dear Parents/Guardian,

I am writing to inform you about an important matter concerning your child's school meals as they transition from Year 2 to Year 3 in September. Your child is currently in Year 2 and is not receiving benefit-related free school meals, we kindly ask that you collect a registration form for free school meals from the school office and return at your earliest convenience.

Online FSM Application

In Year 3, there will be a charge of £2.50 per day for school dinners. Alternatively, you may choose to provide your child with a healthy packed lunch. It is essential to ensure that your child has a nutritious meal during school hours to support their learning and development.

Should you have any questions or require further clarification regarding the free school meals application process or the meal options available, please do not hesitate to contact the school office. We are here to assist you and ensure that your child's needs are met.

Thank you for your attention to this matter. We appreciate your cooperation and support in ensuring that all children have access to healthy meals at school.

Yours sincerely,

Mrs L Wilkes
