Moving Up: New resources to support smooth school transitions and wellbeing in school children and their parents.

Moving up and changing school is a big change for children and parents or caregivers. It's a new stage of growing independence and separation. Fears and worries are normal as well as excitement, as with each stage of childhood development. As parents, your role is to help children cope with and overcome their fears, to nurture them to feel brave and capable. New resources created by psychologists and Balsall Common Primary school are now available at www.inourplace.co.uk/moving-up to promote connected relationships between parents and children as they navigate changes from nursery to primary and primary to secondary to help children thrive in their new school environment.

To access any of the courses completely free visit inourplace | Solihull Approach – Walsall | inourplace and use the access code HIPPO
