RE Year 6 Swimming Sessions

Dear Parent/Carer,

I am delighted to inform you that we have partnered with Aspire Active Education so our children can participate in the Swim:ED programme. This is a fantastic opportunity for your child to start or continue their swimming and water safety journey at Hillary Primary School.

Swim:ED brings a fresh, innovative approach to primary school swimming with lessons delivered in a pop-up swimming pool on our playground. Qualified swimming instructors teach children in a safe environment, and qualified lifeguards are present to supervise lessons. School staff members will support children throughout the programme, too. Swim:ED aligns with National Curriculum outcomes and gives children the skills and knowledge and skills to be confident, competent and safe in the water.

Your child's Swim:ED journey starts on 3/11/2026 and runs until 20/11/2026. Every day your child must bring:

- **a towel.**
- **a swimming costume or swimming trunks (Children are allowed to wear rash vests or burkini for modesty if they wish.)**
- **goggles and a swim hat (If you do not have a swim hat or goggles we can provide those for you.)**
- **flip flops or sliders.**

Jewellery is not permitted during lessons.

For further information on the Swim:ED programme, including important information on what your child needs for their lessons, please read the document '**A Parent's Guide to Swim:ED'.**

If you would like to learn more about Swim:ED and their services, please visit: www.swim-ed.co.uk

Yours sincerely,
Mr Flynn
