Subject: Respecting School Toilet Facilities

Dear Parents and Carers,

I hope this message finds you well.

We are writing to seek your support in reinforcing the importance of respecting our school's toilet facilities. Recently, we have experienced a number of concerning incidents, including wet paper towels being thrown onto walls and ceilings, in the boys toilets the boys are urinating all over the floor and up the walls, and an increase in instances where staff have had to clean up stools that have been left on the floor.

These behaviours are not only unpleasant but also create an unhygienic environment for all pupils and place additional pressure on our staff.

We kindly ask that you speak with your child about the importance of using the toilets properly and treating them with respect. A helpful reminder is that if they would not behave in this way at home, they should not do so at school. It is important that all children understand their responsibility in keeping shared spaces clean and safe.

As a school, we have invested a considerable amount of money in refurbishing and maintaining our toilet facilities to ensure they are comfortable and suitable for all pupils. We want every child to feel safe and able to use these facilities with confidence.

We would also like to take this opportunity to thank those parents and children who consistently follow our school rules and contribute to maintaining a respectful, safe, and pleasant environment for everyone.

Your support in this matter is greatly appreciated.

Yours sincerely,

Ms Seward

Assistant Head Teacher & Phase Leader for KS2
