Reading

It is essential that children read at home as well as reading in school. For this reason, every child has been given a new book bag and a new reading record. Children choose a reading book from their class book corner under the supervision of their teacher, this is to ensure that the texts children are reading are tailored to their ability. We would encourage you to read with your child as frequently as possible. Ask them to read aloud a few pages of their reading book to you and share their thoughts about the book. Whenever someone at home listens to a child read, please sign their reading record on the day you read with them. Class teachers will check reading records weekly. It would be great to see a signature in children's reading records at least once a week. **Children need to have their reading book and reading record in school every day.**

Homework

We would encourage children to continue to use TT Rock Stars at home and also access Spelling Shed, which has a wide variety of games specific to the spelling rules/patterns they have been taught that week. **Children are set a weekly spelling assignment on Spelling Shed which they need to complete at home**. Children should also be reading daily at home.

Year 5 Curriculum Leaflet

Autumn Term

In this leaflet you will find out about what your child will be learning during this term and how you can help them at home.

It gives you information about what is going to be taught in all areas of the curriculum in school and suggests some ways in which you can get involved and help out at home.

We see this as a great opportunity for you to share in your child's education.

On the back page you will find further information regarding the subjects we will be studying this term.

Thank you for your support!
