Home Reading Books

Your child will bring home an appropriate reading book, suitable for their level, to read to you. Your child will be heard read regularly in school. We would appreciate it, therefore, if you could ensure your child brings their reading book and record into school every day.

Year 2 Curriculum Leaflet

Welcome to our Summer Newsletter

The children have had a fantastic Spring term. We performed our Easter assembly, visited the Church and learnt so much throughout the term!

In this leaflet you will find out about what your child will be learning and all the amazing things that the children will be experiencing in the Summer term.

It gives you information about what is going to be taught in all areas of the curriculum in school and suggests some ways in which you can get involved and help out at home.

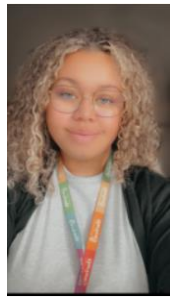

We see this as a great opportunity for you to share in your child's education.

On the back page you will find further information about the children's learning in the summer term

Thank you for your support!
