Reading

Your child will bring home an appropriate reading book, suitable for their level, to read to you. Your child will be heard reading regularly in school and this will supplement reading activities in lessons. We would appreciate it, therefore, if you could ensure your child brings their reading book and record into school every day as well as listening to your child read regularly and record brief comments in their reading record to let the teacher know how your child is getting on.

Homework

Each week, children will be given spellings to learn. Our online spelling programme will help them do this through games and activities. They will also have an online test once a week which will be done at school.

As our children will have their Multiplication Check in June, the expectation is that children spend at least 20 minutes a week on TTRockstars to help them develop fluency.

Year 4 Curriculum Leaflet
Autumn Term

In this leaflet you will find out about what your child will be learning during this term and how you can help them at home.

It gives you information about what is going to be taught in all areas of the curriculum in school and suggests some ways in which you can get involved and help out at home.

We see this as a great opportunity for you to show engagement in your child's education.

On the back page you will find further information regarding the subjects we will be studying this term.

Behaviour and Rewards

The behavioural policy is underpinned by five school values and the Curriculum Drivers

The values promote:

Respect- Children and staff will show courtesy towards all

Reflection- Children and staff show consideration in all situations

Reciprocity- Children and staff show cooperation

Resourcefulness- Children and staff can show self control

Resilience- Children and staff show a commitment to learning

Behaviour and Rewards

Curriculum Drivers

Aspirational: We want our pupils to aspire to be whatever they wish to be.

Inquisitive: Our pupils will have a thirst for learning and want to find out more.

Articulate: Our pupils will be able to communicate effectively with a range of audiences.

Knowledgeable: Our pupils will be knowledgeable about the world.

Unique: Our pupils will be confident in themselves and know who they are and why they are important.

Thrive: Our pupils will be fulfilled and well-rounded individuals .

Behaviour and Rewards

Rewards

'Special Mentions' assembly. Head teacher rewards for good behaviour, politeness, good work, kindness to others - always linked to our school values and drivers.

Class Dojo - Privileges

Governor Star Award

Attendance Award

Behaviour and Rewards

ClassDojo is used as a visual way for children to track their own behaviour. They can see their points accumulate over the week.

There is a wide array of reasons they can be awarded points, for example: attendance, punctuality, following a school value, demonstrating a school driver, etc...

However, points can also be deducted for the same reasons.

Parents are also able to access this to monitor how their children are getting on in school.

The child with the most points is awarded with a privilege card.

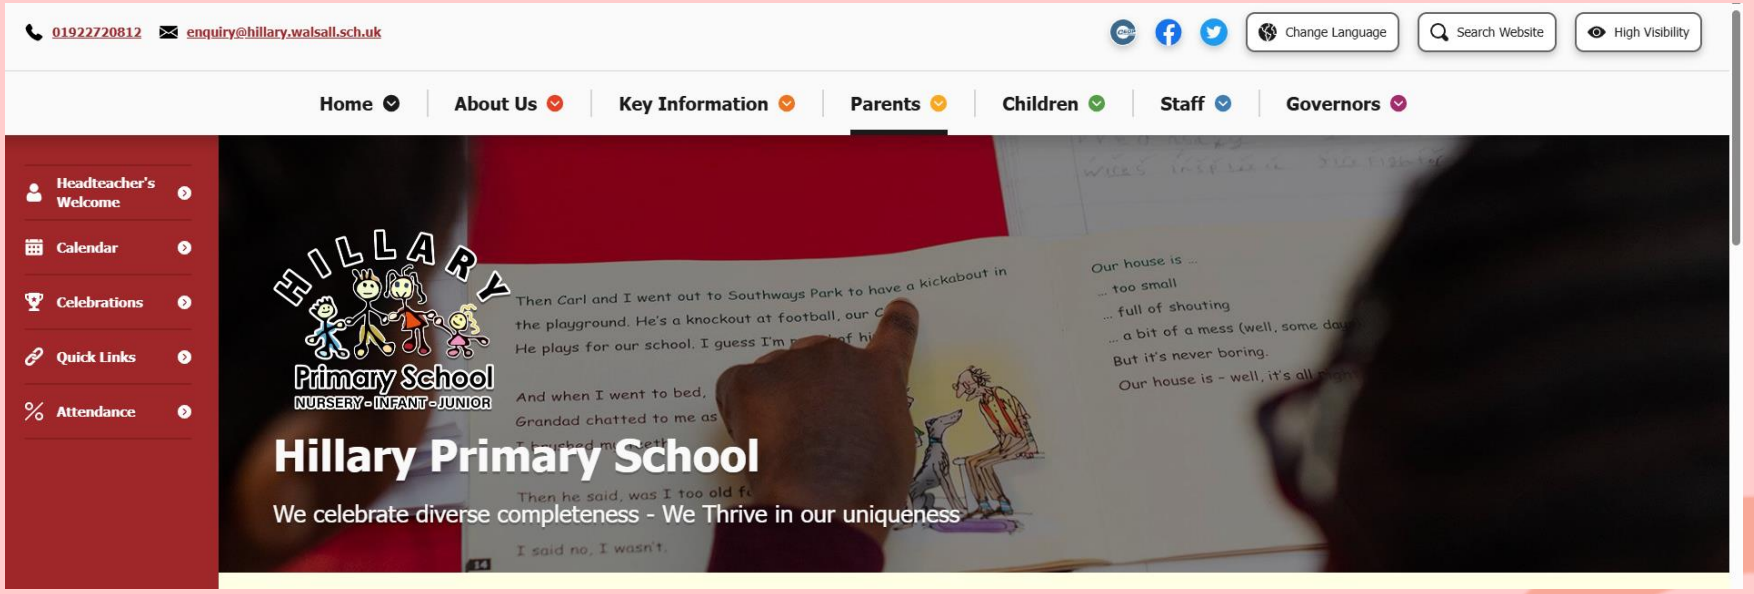

Birthdays

As we are a healthy school, this year we will be continuing our successful birthday book scheme. On your child's birthday please do not send sweets or cakes into school. If you wish to, you may purchase a birthday book from school. Your child will receive two books, one to enjoy together with their class and the other to take home. A birthday book costs £1.
