Reading

Your child will bring home an appropriate reading book, suitable for their level, to read to you. Your child will be heard read regularly in school and this will supplement reading activities in lessons. We would appreciate it, therefore, if you could ensure your child brings their reading book and record into school **every day** as well as listening to your child read regularly and record brief comments in their reading record to let us know how your child is getting on.

Homework

In addition to the homework that will be set for the children, they will also be practising spellings from the Year 6 word list.

You could help at home by practising handwriting with children using some of the spellings from the list.

Year 6 Curriculum Leaflet

Autumn Term

We are delighted to have you back! We hope you had a restful summer and are ready for the new challenges that Year 6 has to offer.
We are really looking forward to returning to our learning in fun and exciting ways. We have planned many activities for you over the coming months and can't wait to get stuck in!

In this leaflet, you will find out about what your child will be learning during the Autumn term and how you can help them at home. We see this as a great opportunity for you to share in your child's education.

It gives you information about what is going to be taught in all areas of the curriculum in school and if you wish to do so, you can discuss, research and explore the upcoming topics with your child.

Thank you for your support!
